

Moustafa Mohamed Tayel B.Pharm., M.Sc.

Address: Riyadh, Saudi Arabia

Phones: Cell: +966 560914372

E-Mail: tayelmm@gmail.com
mtayel@mcst.edu.sa

Education

- May 2013** **Master in Pharmaceutical Science**
Thesis Title: “*Design and Evaluation of Meloxicam Self Micro-emulsifying Drug Delivery System*”
Faculty of Pharmacy, King Saud University, Saudi Arabia.
- May 2005** **Bachelor in Pharmaceutical Sciences.**
Faculty of Pharmacy, Mansura University, Egypt.

Current Employment

- 2014-till now** **Lecturer**

Pharmaceutics Department, College of Pharmacy, Al maarefa colleges. Riyadh, Saudi Arabia.

Work Experience

- 2014** **Researcher in a scientific project**

Sickle Cell Disease Research Chair, College of Medicine, King Saud University. Riyadh, Saudi Arabia.
- 2007- 2014** **Researcher & Teaching Assistant.**
Pharmaceutics Department, College of Pharmacy, King Saud University. Riyadh, Saudi Arabia.
Responsibilities:
-Preparing and teaching sterile products Lab.
-Teaching basic pharmaceutics Lab.
-Conducting Basic Pharmacokinetics Tutorials PHT 415.
-Assist in the Research activities in the department.
- 2005-2007** **Hospital pharmacist.**
Tanah Hospital, Mansura, Egypt.

List Of Publications

- 2014** A novel fast self-microemulsifying drug delivery system of meloxicam for improving in vitro gastric dissolution vs. commercial products, **M. Tayel**, E. Taha, S. Al-Suwayeh *Acta Pol Pharm.* (accepted for publication, 2015)
- 2014** Ultra-fine super self-nanoemulsifying drug delivery system for transdermal delivery of meloxicam: dependency on the type of surfactant , M. Badran, E. Taha, **M. Tayel**, S. Al-Suwayeh *Journal of Molecular Liquids*, (2014).

Conferences

5-7 Apr 09 **The International Conference for Nanotechnology Industries.**
King Abdullah Institute for Nanotechnology (KAIN)
King Saud University, Riyadh, Saudi Arabia.

Academic Activities

2009 **Drug Targeting Seminar,** college of pharmacy, king Saud university.

Workshops

12 Jul 2010 **References and Data Management Using EndNote® X3 Software.**
Deanship of Quality, King Saud University, Riyadh, Saudi Arabia

25-26 May 09 **Quality & Its Applications in Higher Education Institutes.**
Deanship of Quality, King Saud University, Riyadh, Saudi Arabia.

13 Apr 09 **Research Trends in Pharmaceutical Chemistry.**
Drug Exploration and Development Chair (DEDC), College of Pharmacy, King Saud University, Riyadh, Saudi Arabia.

26-28 Jan 09 **Pharmaceutical Manufacturing science advances in sterile products.**
College of Pharmacy, King Saud University, Riyadh, Saudi Arabia.

28 Jun 08 **Strategic planning and effective leadership.**
King Saud University Riyadh, Saudi Arabia.

26 Apr 08 **Active learning and teaching large classes.**
King Saud University Riyadh, Saudi Arabia.

17-20 Feb 08 **Self Development.**
King Saud University, Riyadh, Saudi Arabia.

29 Mar-1 Apr 08 **The Development of Knowledge in the Domain of Specialization.**
King Saud University Riyadh, Saudi Arabia.

Research Skills

Various Analytical techniques including HPLC and Spectrometry.

Computer Skills

Excellent knowledge of using Computer.

-Word, Excel and PowerPoint.

- Endnote.

-Photoshop.

Excellent knowledge of using the Internet.

Languages

- Arabic: Native.
- English: Very good.

Personal Skills

Good presentation & Communication Skills.
Leadership Skill.

Interests

Reading.
Teaching.
Researching

Personal Data

Date of Birth: 10-12-1983
Place of Birth: Scotland, UK
Nationality: Egyptian
